CARE-NET: Caring Beyond the Yellow Ribbon has begun engaging people, community agencies, faith-based organizations, businesses, and military members (to be deployed or previously deployed) and their families into a process that identifies and establishes the mechanisms for needed support in the following areas:

- stress management
- addictive behaviors
- children needs (family dynamics)
- financial education and support.

Our goal is to reach out to West Virginia military members and their families from the Army and Air National Guard, Army and Air Reserve Components, and enlisted members from the Army, Navy, Marines, and Air Force and Coast Guard Units.

CARE-NET staff will explain the CARE-NET grant process and how community groups throughout West Virginia can apply. Attendees will also learn the process for submitting a grant proposal. Funding levels up to \$10,000.00
